SUBJECT: LABOR MARKET INFORMATION PLANNING PACKETS FOR 2011

The Employment Development Department's (EDD) Labor Market Information Division (LMID) annually produces and distributes Planning Information Packets as an aid for planning and delivering services under the Workforce Investment Act. Typical recipients are Local Workforce Investment Boards, the EDD's Workforce Services Division, EDD Division Chiefs and Field Office Managers, LMID Labor Market Consultants, and CalWORKs Program Specialists.

The packets contain relevant social and economic data, including data relating to public assistance, poverty guidelines, and demographic profiles. This year's Planning Information Packets contain data on Public Assistance Recipients (Tables 1 and 2); Planning Information for Local Workforce Investment Areas (Table 3); and Lower Living Standard Income Level and Poverty Guidelines (Table 4).

The Planning Information Packets are accessible online at the following Web address:
www.labormarketinfo.edd.ca.gov/?PAGEID=135.

For assistance with LMID's Web site or for any questions regarding the tables or data found in the packet, please contact the Customer Outreach Unit at (916) 262-2162. For more information or questions about a county, contact the local LMID labor market consultant for assistance. Contact information for your Area Consultant is available online at: www.calmis.ca.gov/file/resource/LMIConsultants.pdf.
